PRINCE GEORGES COUNTY

ROUTE ALERT LIST

PRINCE GEORGE'S COUNTY

Interstate 95/495, Interstate 295, MD 210, MD 414 - These roads and their accompanying exit ramps are all in various stages of construction due to the Woodrow Wilson Bridge Project. Mile points for these roads in the current HLR reflect ongoing construction conditions, and are subject to change

MD 210-V - Newly assigned route; SHA salt barn access road at the MD 210/I-95 interchange (Exit 3), built under contract #PG5075173.

MD 212 - This road was split east of I-95 due to a county project (SHA #PG3355171). The section beginning from 0.15 south of Old Gunpowder Rd to MD 201 is no longer connected to the mainline, and is now designated MD 212-A. MD 212 now ends at mile point 8.365, the last ramp intersection (Ramp 4) of the I-95 interchange. From mile point 8.365 to 8.51 the old roadway has been scarified. The new portion of road built by PG county from Ramp 4 to Ammendale Rd has been designated as other public (OP 5486) at this time.

MD 212-A - This was formerly mile points 8.51 to 10.48 of MD 212.

MD 414 - Due to realignment at MD 210 under contract #PG5075173 and subsequent re-inventory the total length of this road has increased from 5.55 to 5.639, with all mile points adjusted accordingly.

MD 450-D - Newly assigned route; extension of MU 764 (Bowie) to relocated MD 450, built under contract #PG9005571, construction is now complete.

MD 980-D - This road has been shortened from 0.44 to 0.27 mile. The remainder of the road is now part of exit 4, ramp 5.
